Definition of drilling licence categories: A is for 5 or more rigs; B is for 2 to 4 rigs; C is for one rig or leasing.

The general public is hereby informed that the above listed drillers are the drillers recognized by the Government of Ghana as having the valid credentials to undertake groundwater drilling.

All purported water drilling contractors whose names are not entered into the register above published and have not applied for and obtained a valid Water Drilling Licence from the Water Resources Commission should contact the Commission at the addresses below for the necessary information and application forms or face appropriate legal action.
